

Office of the Attorney General
State of Texas

DAN MORALES
ATTORNEY GENERAL

June 16, 1998

Mr. Ron M. Pigott
Assistant General Counsel
Texas Department of Public Safety
P.O. Box 4087
Austin, Texas 78773-0001

OR98-1489

Dear Mr. Pigott:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, chapter 552 of the Government Code. Your request was assigned ID# 116414.

The Department of Public Safety (the "department") received an open records request for documents pertaining to an accident involving a fatality which occurred on January 3, 1998. You seek to withhold the documents pursuant to section 552.108 of the Government Code.

We note that included among the documents you seek to withhold is an accident report form that appears to have been completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). The Seventy-fifth Legislature, repealed V.T.C.S. article 6701d, and amended section 550.065 of the Transportation Code concerning the disclosure of accident report information. Act of May 29, 1997, 75th Leg., R.S. ch. 1187, 1997 Tex. Sess. Law Serv. 4575 (Vernon), (to be codified at Transp. Code § 550.065). However, a Travis County district court has issued a temporary injunction enjoining the enforcement of the amendment to section 550.065 of the Transportation Code. *Texas Daily Newspaper Ass'n, v. Morales*, No. 97-08930 (345th Dist. Ct., Travis County, Tex., Oct. 24, 1997) (second amended agreed temporary injunction). A temporary injunction preserves the status quo until the final hearing of a case on its merits. *Janus Films, Inc. v. City of Fort Worth*, 358 S.W.2d 589 (1962). The supreme court has defined the status quo as "the last, actual peaceable, non-contested status that preceded the pending controversy." *Texas v. Southwestern Bell Tel. Co.* 526 S.W.2d 526, 528 (Tex.

1975). The status quo of accident report information prior to the enactment of S.B. 1069 is governed by section 47 of article 6701d, V.T.C.S.¹

Section 47(b)(1) provides that:

The Department or a law enforcement agency employing a peace officer who made an accident report *is required to release a copy of the report* on request to:

....

(D) a person who provides the Department or the law enforcement agency with two or more of the following:

- (i) the date of the accident;
- (ii) the name of any person involved in the accident; or
- (iii) the specific location of the accident

V.T.C.S. art. 6701d, § 47(b)(1) (emphasis added). Under this provision, a law enforcement agency "is required to release" a copy of an accident report to a person who provides the law enforcement agency with two or more pieces of information specified by the statute. *Id.* In the situation at hand, the requestor has provided the department with the date of the accident, the name of one of the persons involved in the accident, as well as the location of the accident. Thus, you are required to release the accident report form under section 47(b)(1)(D) of article 6701d, V.T.C.S.

Next, we observe that section 552.108(a) of the Government Code, as amended by the Seventy-fifth Legislature, excepts from required public disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if (1) release of the information would interfere with the detection, investigation, or prosecution of crime" Because you have informed this office that the case is under active investigation and as such, the records at issue pertain to pending criminal prosecution, we conclude that you have met your burden of establishing that the release of

¹Although the Seventy-fourth Legislature repealed and codified article 6701d as part of the Transportation Code, the legislature did not intend a substantive change of the law but merely a recodification of existing law. Act of May 1, 1995, 74th Leg., R.S., ch. 165, §§ 24, 25 1995 Tex. Sess. Law Serv. 1025, 1870-71. Furthermore, the Seventy-fourth Legislature, without reference to the repeal and codification of V.T.C.S. article 6701d, amended section 47 of article 6701d, V.T.C.S., relating to the disclosure of accident reports. Act of May 27, 1995, 74th Leg., R.S., ch. 894, § 1, 1995 Tex. Sess. Law Serv. 4413, 4414. Because the repeal of a statute by a code does not affect an amendment of the statute by the same legislature which enacted the code, the amendment is preserved and given effect as part of the code provision. Gov't Code § 311.031(c). Thus, the amendment of section 47 of article 6701d, V.T.C.S. is the existing law regarding the availability of accident report information, and may be found following section 550.065 of the Transportation Code. See also Act of May 27, 1995, 74th Leg., R.S., ch. 894, § 1, 1995 Tex. Sess. Law Serv. 4413, 4414.

the requested information at this time would interfere with law enforcement or prosecution. You therefore may withhold most of the requested information at this time pursuant to section 552.108(a)(1).²

Please note, however, that section 552.108 does not except from required public disclosure "basic information about an arrested person, an arrest, or a crime." Gov't Code § 552.108(c). The department must release these types of information in accordance with *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.--Houston [14th Dist.] 1975), writ *ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and should not be relied on as a previous determination regarding any other records. If you have any questions regarding this ruling, please contact our office.

Yours very truly,

Janet I. Monteros
Assistant Attorney General
Open Records Division
